**LWML Guild Joint Christmas Gathering**

On December 17, LWML Guild members and guests gathered to celebrate Christmas. We had time to visit and enjoy Christmas Goodies. After eating, we played a Christmas trivia game with prizes for the highest score. Pastor Greg shared a devotion and incorporated singing Christmas carols during the devotion. Jon St. Pierre presented information about Brighter Transitions and Falls Academy. We wrote cards for each resident of Brighter Transitions/Falls Academy to place on each present (tie blankets). Throughout the afternoon, names were drawn for door prizes. The leftover Christmas goodies were sent with Jon for residents at Brighter Transitions/Falls Academy.

- 22 Guild Members were in attendance. 9 Guests were in attendance
- \$113.13 was collected for Mites.
- \$92 was collected for the Home offering.
- \$245 was collected for the Red Stocking donation to Heat Share through Xcel Energy.
- The blankets were delivered to Brighter Transitions in time for Christmas.
