AS WE GATHER: Today we celebrate Labor Day, a federal holiday set aside to honor the working people of this nation. The first Labor Day was celebrated on Sept. 5, 1882 in New York City. It was made a national holiday in 1894. While the holiday was originally designed to recognize organized labor, it has become a holiday for all workers. For many, it marks the end of summer and begins the activities of the fall season. It is somewhat interesting that a day designated as Labor Day is celebrated with a day taken off from laboring. Today will also be a Labor Day of a different sort. For a faithful Christian everyday is a day to work and serve the Lord. Each day should be spent working in the kingdom of God. There is work for each of us to do on an individual basis, and there is work for the church to do collectively. As long as we walk faithfully “in Christ,” everyday is a Labor Day.

CAKES ARE NEEDED for BINGO prizes on Rally Sunday. If you'd be willing to donate some cakes for this - there's a sign up sheet on the table, with the black cloth, at the back of the church.
