**AS WE GATHER:** What is it that has changed your life more than any other single event? We might think back to certain moments in life that have made a marked impression upon us. Today, in God's Word, we discover that the resurrection of Jesus is the single most significant event in all our lives. The resurrection of Jesus validates the crucifixion as a life-changing, sin-forgiving event, and paves the way for a life that will never end in heaven for the believer.
