**AS WE GATHER:** Our Bible Reading of the Day is John 11:1-44. Mary and Martha's brother, Lazarus, falls seriously ill. When word of his illness comes to Jesus, He delays two days, assuring His disciples the disease would not lead to death but to God's glory. Despite death threats, Jesus reassures the disciples when deciding to return to Judea. They set out for Bethany, arriving four days after Lazarus is placed in the tomb. Jesus tells Martha that He is the resurrection and the life, as she boldly confesses, "I believe that You are the Christ, the Son of God" (John 11:27). Deeply moved by their grief, Jesus calls Lazarus back to life.
