AS WE GATHER: Our Bible Reading of the Day is Genesis 1:26-2:25. God creates man in His own image with His own hands and breathes in him His own breath. Formed from the dust of the ground, Adam needs more than just animal companionship. So our heavenly Father makes the perfect complement to man, creating woman from Adam's rib, and places them in the garden. Christ, true God and true man, has come into the world to forgive us our sins and to begin to restore to us the image of God once again.

THE LEAD ELDER TODAY is John McMahon. Please contact him if you have any questions about Zion Lutheran and he will be glad to help you out. John's favorite Bible verse is Isaiah 6:8.
