AS WE GATHER: With great celebration the throngs of people welcomed Jesus, but they did not comprehend that His gift of life would come at the cost of His own death. We are not in the dark about what awaited Jesus. We know that His great love for us was tested in death on the cross. We know that Jesus was not victim, but the willing Savior who was determined to pay the price for our redemption. Today we celebrate the great love that our King has for us.
