AS WE GATHER

How often might you feel lost – lost among the confusion and details and busyness of life? When someone is lost, they forget or do not know where they should be going. When someone loses money, their health, or a loved one to death, everything from anger to despair to fear take over, and we are tempted to think there is no hope. That's why Jesus' statement "whoever would save his life will lose it, but whoever loses his life for My sake will find it" sounds so strange, so backward. We lose our life by daily contrition and repentance as the old Adam is drowned. We find ourselves given the gift of eternal life as the new man daily arises, and we escape death forever!
