AS WE GATHER

The Gospel stories of Jesus often have a familiarity to us that may diminish what the sacred writer wants us to understand. Simply put, there has never been any individual on this earth like Jesus. He has divine power that can heal the sick, revive the dead, and multiply bread and fish to feed multitudes. And He can even walk on water. Nobody has ever done that. Only Jesus. As we worship and hear the Gospel account shared today, let us see that Jesus is truly the Son of God!

BEING BAPTIZED during our 8:00 service today is Johannah Taylor Freng, daughter of Jessica and Samuel Freng. We pray God's blessings upon Johannah and her family.
